(088802-5211)

Remarks

Applicant respectfully submits that the substitute drawings are submitted solely in response to the Office's requirement in compliance with 37 CFR 1.84 (g) (i.e. appropriate margins). The amendments in the specification merely conform reference to Figure numbers and Sequence Nos. in the specification to the content of the substitute drawings. No new matter is introduced by the amendments submitted herewith.

In view of the above amendments and remarks, prompt and favorable action on this application is respectfully requested. In the event issues remain to be resolved, the Examiner is invited to contact the undersigned by telephone so that a prompt disposition of this application can be achieved.

Respectfully submitted,

Date 4/19/02
